

Human Rights Violations in Tigray Region, Ethiopia: An Investigative Report

2024 · Tigray

Comprehensive investigation across Abala, Goda, Samre, Seharti, Korem, May-Tsebri and Mekelle, identifying potential war crimes and crimes against humanity.

This investigative report presents the documented locations, alleged violation patterns and legal characterization emerging from OJAH's evidence review and field-facing documentation work.

This standalone preview includes a publication summary PDF generated for website review. Replace it with the final report file when the production document is available.
